おまかせ

Kyatcha stands for catching, receiving and fulfilling the wishes and demands of its guests. It is what we are committed to every day.

The challenging yet balanced taste of Kyatcha provides not only a distinguished taste experience but also a sense of tranquillity. The philosophy of Japanese cuisine tells that peace is found with a perfect balance of taste.

Kyatcha is not content simply to seduce. Beauty, flavour, aroma and texture are the instruments Kyatcha uses to enchant every sense.
